Dear John,

As president of O'Donnell & Naccarato and a New Jersey Resident, this is to document support for the DRPA's Transportation Investment Vision for Southern New Jersey, most especially the plans for continuation of SJ Light Rail service from Camden to Glassboro.

The success of the light rail service in Burlington County is a clear indicator that the same benefit will be achieved in the Camden/Gloucester region. Your work in determining the best route through the alternatives analysis and planning study has produced a superior plan - you and your team are to be congratulated.
