Dear John: 

The PENJERDEL Council offers its' unqualified endorsement of the Delaware River Port Authority's Transportation Investment Vision for Southern New Jersey.

Building upon the success of light rail service in Burlington County DRPA is to be commended for pursuing the construction of South Jersey light rail service from Camden to Glassboro.

In a transportation environment where many organizations cast about for ways to reduce congestion and corresponding fuel consumption – DRPA's proposed rapid bus transit along routes 42, 55 and 676 is timely and forward thinking.

As an organization that encourages links between Pennsylvania, New Jersey and Delaware , The PENJERDEL Council is especially supportive of DRPA's enhancement of NY Transit 30<sup>th</sup> Street Station to Atlantic City.

Sincerely,

  
Andrew L. Warren  
Executive Director
