

Red Bull Flugtag – Saturday, September 15

See the wacky, the wonky wonders of flight at the waterfront. Event doors open at 11 AM, and the first flight soars (or not!) at 1 PM. **Ride PATCO** to get there. Six car trains run every 7 to 8 minutes from 9 a.m. to 5 p.m., and every 15 minutes after 5.

From Philly, it's just a 6-minute ride from 8th/Market Street Station.

Buy your PATCO ticket from one of the special cashier booths – just \$2.80 round-trip (cash only).

Get off at City Hall (5th & Market Streets), the very first stop. It's just 5 blocks down Market Street to the river.

If you need an escalator or elevator or have a stroller, ride one more stop to Broadway.

From Jersey, it's 15 minutes or less.

Buy your PATCO ticket from the vending machine – just \$3.20 round-trip (cash only).

Get off at Broadway. Ascend to street level via the stairs, escalator or elevator.

Walk down Federal Street to the river.

PATCO operates 24/7.
